Congratulations —

THE HARD PART IS OVER

You've found the perfect partner. Now, it's time for the setting that conveys the grace and style you've always imagined for your wedding day —

The Reserve Vineyards and Golf Club.

Tucked away among lush green rolling farmland on the fringe of the Willamette Valley's acclaimed wine country, The Reserve is one of the state's finest golf retreats, where championship golf and resort-style amenities merge to create a serene refuge from the city. Whether you've envisioned an intimate gathering of family and friends or the talked about social event of the season — The Reserve staff is at your service, from first inspiration to exultant finish.

CHOOSE YOUR PERFECT SETTING

The Reserve offers indoor and outdoor locations for weddings and receptions. Our most popular site is the Vintner's Pavilion — available May through mid-October. Situated on the wildflower-bordered patio adjacent to the North Course's 18th green, this 4,800-square-foot structure accommodates up to 300 people. With sweeping golf course and countryside views, the Vintner's Pavilion creates an elegant garden party atmosphere.

The Crossing, situated in a forest-like setting just steps from our striking chateau-style clubhouse, offers an ideal outdoor ceremony experience for weddings of all sizes. At over 12,000 square feet, The Crossing can comfortably seat up to 350 people, while also offering an intimate environment for smaller wedding parties. Its pristine location offers an unforgettable backdrop unlike any in the Pacific Northwest.

For an indoor setting, the stately Harvest Room in our clubhouse features its own foyer and fireplace.

At approximately 2,000 square feet, the Harvest Room accommodates up to 100 people.

REALIZE YOUR VISION

On your wedding day, the only thing that matters is you. The Reserve's on-site wedding coordinator makes the myriad of plans and preparations both pleasurable and uncomplicated. You choose all the elements that comprise the special character of your day, and we help make it happen. No detail is too small, no request is too large.

EAT, DRINK, AND BE MARRIED
