Juniors deserve a better way to learn to play golf!

Most junior programs are incomplete. That is why the Reserve Vineyards & Golf Club uses the Operation 36[®] Development Model which centers around playing golf. The goal is to help your junior shoot par (36) or better for 9 holes.

STEP ONE: Learn Skills in Fun Classes

We make learning the game feel like a game! Your junior will make friends and learn skills in fun engaging classes.

STEP TWO: Play Their First 9 Holes

Coaches will provide your junior with a 9 hole playing experience with the Op 36 Model.

STEP THREE: Train & Track Progress

The Op 36 Mobile App is your families guide to practicing and playing golf outside of classes.

Operation36 FAQ's

How Often Do We Meet?

In each semester, we meet for six classes and four on-course events. The classes are once per week, and the golf events (nine holes of golf) are four times within the six week time frame.

What Are These Golf Events All About?

This is where the class goes on the course in groups, keeps score, plays nine holes, and enjoys an afternoon on the golf course together. These include the cart use by a parent or guardian (no additional cost).

Are Clubs Provided?

We have clubs available at no cost to use, and we recommend using them rather than buying a whole new set before the 1st class.. The clubs are available for classes and the on-course events for the semester.

What Should I Wear?

Please wear clothing that you are comfortable swinging a golf club in. Golf attire is appreciated and not required.. Shoes are purely for comfort - any athletic shoe will do.

What Is Covered In Class?

We cover as many topics as possible to get you ready to be on the course. This includes drivers, irons, chip shots, rules, golf lingo, and how to make friends on the course.. We enjoy interactive & social conversation in each class.

What Experience Level and ages are included?

This is open to all levels of experience, with emphasis on beginner to intermediate level. Ages may range from 7-15, and the instructor will assist in developing class rosters that make sense to the individual students.

Where Do We Meet?

It will be a combination of our private golf academy, and on-course practice. We have space to work on a variety of shots and situations.
