How Often Do We Meet?

In each semester, we meet for six classes and four on-course socials. The classes are once per week, and the socials (nine holes of golf) are four times within the six week timeframe.

What Are These Intriguing Socials All About?

This is where the class goes on the course in groups, keeps score, plays nine holes, and enjoys an evening on the golf course together. All socials include riding carts at no cost.

Are Clubs Provided?

We have clubs available at no cost to use, and we recommend using them rather than buying a whole new set before the 1st class.. The clubs are available for classes and the on-course socials the entire semester.

What Should I Wear?

Please wear clothing that you are comfortable swinging a golf club in. Golf attire is appreciated and not required.. Shoes are purely for comfort - any athletic shoe will do.

Mastering the Operation 36 Model:

Golfers Play 9 Holes From Division 1 (25 Yards)

Instead of starting at the full tee box, all golfers begin in Division 1 and will play 9 holes starting 25 yards from each green. The goal is an average of 4 or better on each hole.

Shoot par (36) or better to pass Division

If they shoot par (36) or better, the golfer progresses to Division 2, where they start 50 yards from each green. We utilize both courses at The Reserve, so you get some variety in your golf experience!

Complete the Division 10 challenge

This challenge continues until the golfer can shoot par (36) from all 10 divisions!
